

# Look what's happened IN 45 YEARS!

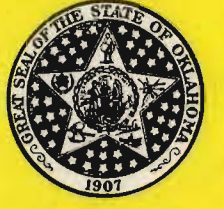

OKLAHOMA  
1970

WELCOME TO  
OKLAHOMA

The word for Oklahoma is EXCITING. It's an energetic new state with business and industry booming. It's a new frontier abounding with opportunity. The climate in a word is "Great." The people are the friendliest. Oklahoma continues to expand the opportunities in, and the quality of education. The state offers the tourist an abundance of lakes, rivers, forests, mountains and recreational facilities. The history of Oklahoma is recorded in dozens of monuments and museums. The people of Oklahoma are eager and productive. It's simply a wonderful place to work, live, raise a family and enjoy life.
